EBHBS

We believe in striving for personal excellence

Making Learning Our Number One Priority

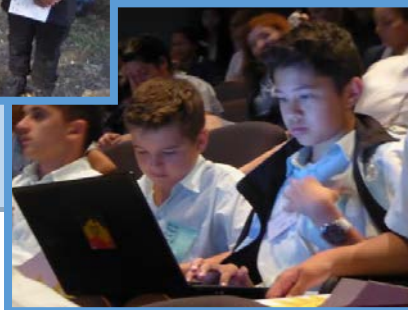

EAST HILLS BOYS HIGH SCHOOL

LEARNING - RESPECT - RESPONSIBILITY

A School where there exists very high levels of student, teacher and community support.

- Strong academic results in HSC and high ATARs
- Supportive and engaging learning culture
- Leading the way in innovation and technology
- Extensive Literacy and ESL Support programs

A School where significant improvements occur in key learning areas through greater student motivation and engagement.

Making Learning Our Number One Priority

International Students

- International student coordinator and support team
- ESL specialist teachers
- Focus on literacy and vocabulary development

We welcome International students to our school, confident that we provide them with a learning and cultural experience that will enhance their time spent in Australia and better prepare them as 21st Century learners.

Gifted and Talented Programs

- **ThinkBig@EBHS** - engages, excites and connects students
- Challenge and extend critical and creative thinking for the 21st Century
- Strategically linked co-curricular learning model
- Teachers trained by the UNSW- GERRIC: Gifted and Talented Advancement programs
- **EBHS Mind Marathon**

HSC Success

- In 2016, 76% Year 12 students progressed to further study at University, College or TAFE
- Most HSC courses performed better than NSW state average
- We have strong links with Western Sydney University - 53% of students entering university attend WSU
- Highest performing comprehensive boys school in South-West Sydney
