

# **EAST HILLS BOYS HIGH SCHOOL ACADEMIC SCHOLARSHIPS 2023**

At East Hills Boys High School we firmly believe that learning should be the number one priority of all students.

In recognising students who reflect our three core principles of Learning, Respect and Responsibility, the school offers a number of academic scholarships of between \$250 and \$500 for students in Years 8-12 who display outstanding attributes in academic achievement, leadership, and school and community involvement.

Scholarship applications for the 2023 academic year are now open. Students wishing to apply for a scholarship should download the application form from either the Sentral Parent Portal / School Documents or the school website. Alternatively they can collect hard copy from Mr Cavanagh in the TAS Staffroom.

Completed applications need to be submitted in hard copy, together with any supporting evidence, to Mr Cavanagh by Friday 18 November 2022 (Week 6 Term 4).
