Suggestion whether the P&C would consider contributing towards the Year 12 jacket next year. Discussed and to be carried forward to 2022 as \$10 - \$20 approximately per student to be worthwhile cost reduction.

Congestion at drop offs. Managed well at Tower St crossing but difficult outside the two high schools. Teachers direct students at buses but not authorised on crossings. Traffic issues raised at EHGTHS and was to be investigated by local authorities.

Ray has nominated Susan in the Banks Volunteer of The Year award and Clare and Ashley will attend with Susan. The Premier is attending Council Function and Ray is attending on behalf of the Chamber of Commerce. He may speak to him but meeting with Wendy Lindsay may be best next year.

Will try and organise an end of year catch up for those available.
