# Principal's Message

As the school settles into the new school year, I have been really impressed with the ability of our students to engage with their lessons and behave appropriately whilst at school. My thanks to all parents and caregivers who have played a significant role in settling your sons and encouraging them to participate in their learning. As we work together as a team, we are better equipped to cater to your sons' needs.

Whilst the behaviour of the boys at school has been exemplary overall, we still have concerns about their behaviour in the community, especially when traversing to and from home. This may be on the buses, trains or walking home. Please remind them that they are not only representatives of the school whilst they are on their way home but they are also representatives of their families. Respectful behaviour is essential at all times and this message needs to be delivered by the school and parents.

I was extremely pleased with the turnout to our 2022 Open Night on Monday 14 March. It was great to see so many prospective families engaging with the school and coming in to see what facilities we have at East Hills Boys. We know that we are a great school with outstanding academic, sporting and cultural results and it was wonderful to see our community of Year 6 students doing their homework and exploring what we have to offer. Our numbers have been steadily rising over the past couple of years and this is exemplified by our 172 students we have enrolled in Year 7 2022. With the huge numbers that attended Open Night on Monday, I am very confident that 2023 will see another significant increase in students attending East Hills Boys High School. What has been particularly impressive with the increase, has been the number of In-Area students returning to our school. This years Year 7 sees 36% of our students from within our local community, which was up from 25% in 2021. Hopefully that number also continues to rise.

I would like to extend the best wishes of the school to those families that have had to deal with the flooding phenomenon of the past few weeks. There have been families who have been severely affected by the floods and to those families we wish a speedy recovery for your family.

With the rains hopefully in our rear vision mirror we can get back to some our special interest groups that we were developing before the rains came. I know that the SEF garden club are keen to get back into their routines and work through maintaining and establishing new gardens around the school. The Construction boys can now make full use of their new facilities in "The Compound" and with the cricket nets now finished the boys in the cricket program with Mr Hackshall and Mr Williams can get out there and use their new equipment including the new bowling machine. Many of the staff are also keen to face the bowling machine!!!

Many of our other infrastructural improvements will also be ready over the coming weeks. The new walkways will be finished off before the end of term and the refurbishment of the basketball courts will also be completed in the same timeframe. During the Easter holidays we will be looking at starting our new outdoor classroom room facility. Which will be located at the front of the Café and will provide an area for outdoor learning and relaxation during break times.

Thank you for your ongoing support.

Kind Regards

Paul Abboud

# Make a Mate

East Hills Boys is an inclusive community where all students are encouraged to support each other. To encourage our boys to seek out friendships and new networks within the school we have introduced an initiative to assist students who may need help in making those connections.

- ✓ CONNECTING SOCIALLY
- ✓ CHANGING FRIENDSHIP GROUPS
- ✓ BUILDING FRIENDSHIP NETWORKS

Our Leadership Team, SRC and Peer Support Team are wearing blue bands to indicate to the student body that they are boys who are there to help other students. At the conclusion of the Year 7 transition week I also spoke with the cohort to explain the initiative and to ask for volunteers to help other Year 7 boys make friends in their new environment. I was overwhelmed when more than 20 boys eagerly approached me to be part of Make a Mate. These students will be wearing their blue band when they are at school or travelling to and from school. This band indicates they are approachable and happy to support any student who may need help, want to join in your game or share some time with a new group. Thank you boys for making a positive contribution to our school culture and I congratulate them for their involvement. Please discuss this program with your student so they are aware of the initiative.

Thank you  
Mrs Savins

# MUSIC

ROCK N ROLL...

## Extra-curricular Music is a 'HIT'!

This term we have kicked off extra-curricular music on Tuesday afternoons. We have had an amazing response with over twenty students returning permission slips and getting stuck into band practice. Extra-curricular music is free to attend and is available to any and all elective Music students. Come along and get involved if you want to connect with other musicians in the school and take advantage of the amazing resources we have in the Music department. Sessions are taken by Mr. Hanratty who will be running small ensemble rehearsals and helping individual students progress on their chosen instruments.

## Year 8 Music

This term, Year 8 have been looking at rock music and the guitar. The boys have been busy learning iconic guitar riffs and have even experimented with composing their own riffs on Sibelius. At this point in the term, we can happily say that students can confidently execute 'Smoke On The Water' like absolute rock stars!

# Literacy & numeracy program:

Parents – Here are some of the current issues in literacy and numeracy. They are all important in your son's schooling!

## Year 7 students:

Parents, please encourage your son to read at home, whenever possible, and in addition to his subject-based homework. At least 20 minutes per evening is recommended. The school's Accelerated Reader program has commenced, and the at-home reading can focus on readers which are part of this program. Readers can be borrowed from the school library, or are available online.

## Year 8 students:

In Weeks 9 & 10 of this Term, all Year 8 students will participate in Check-in reading and numeracy online tests. These tests help the school to diagnose areas of weakness. They do not produce reports to parents, but progress information can be provided to parents, on request.

## Year 7 & 9 students:

As advised in the last newsletter, Year 7 & 9 students are being prepared for the upcoming NAPLAN tests (10<sup>th</sup> – 20<sup>th</sup> May). This year, in all schools, all NAPLAN tests will be on-line, so it is important that students are ready (a letter is being sent to all Year 7 and 9 parents about this). **Year 9 students should be especially diligent in completing the weekly Google Classroom literacy/numeracy homework, in preparation.**

## Year 10 students:

Again, as already advised, the NSW Educational Standards Authority (NESA) has stated that, from now on, students need to achieve minimum literacy and numeracy standards in order to gain an HSC. In Week 8 of this Term, all Year 10 students will have completed three on-line tests (in reading, writing and numeracy), in order to demonstrate these standards. A letter was sent to all Year 10 parents, early this year, providing more details.

Further test opportunities and support, each Term, will be available to students who are unsuccessful in achieving one or more of these Minimum Standards.

## Year 11/12 students:

Minimum Standards tests are also being conducted, each Term, for Year 11 & 12 students who have yet to demonstrate those standards. If uncertain about the status of your son with respect to Minimum Standards, please do not hesitate to contact Mr Bawden (Tuesdays and Thursdays), at the school. Contact details are listed below.

## All students:

Homework Help runs each week, on Wednesdays and Thursdays, after school for one hour in the library. Assistance, especially in literacy, is available at these times. Make use of this valuable time!

If there are further enquiries, please ring Mr Bawden (Literacy/numeracy Support Person) at the school (Mondays), Ph: 9773 7806. Thank you for your support of your son's literacy and numeracy progress!

# School Student Travel

## Term 1 2022

### School student travel information for parents and students

#### School Travel Passes

Students who need a School Opal card or travel pass but have not yet applied need to [apply](#) or [update](#) their details as soon as possible.

In the Opal network, students should travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

New Student Opal cards (including new Term Bus Passes) will be sent to the student's nominated postal address within two weeks of their application being approved.

Students living in rural and regional (R&R) areas will receive their travel pass from their nominated transport operator. It may be issued via their school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

#### Terms of Use

**Students using Opal cards must tap on and tap off** in line with the [Opal terms of use](#).

All students are required to comply with the [Student code of conduct](#). The code of conduct aims to ensure the safety and well-being of school children and other passengers. It is important that parents ensure their child is aware of this, as failure to comply with the code of conduct can result in a suspension from travel.

## HOW TO DISCUSS YOUR SCHOOL SERVICES OR REQUEST CHANGES

The best way to resolve any issues that you or your child/children are experiencing with our services is to discuss it directly with your school in the first instance.

We encourage direct communication between the school and Transdev NSW and we will do our best to resolve any issues as quickly as possible. We are also more than happy to visit the school and meet with school staff, when necessary.

If you wish to lodge a complaint or feedback, please direct it via phone to 131500 or [transdevnsw.info](https://transdevnsw.info) to ensure it is lodged correctly. We will then be able to process it and respond to you as soon as possible.

We undertake an annual review of all school services, to help plan the timetables for the following school year. Schools may also request changes throughout the year.

While we carefully consider all requests, please keep in mind that many of our school services are utilised by more than one school and are often linked with normal route services either before or after the school run operates. This means that some changes may not be possible in the short term, but will be considered as part of future network reviews.

## USEFUL INFORMATION

### YOUR SCHOOL SERVICES:

Your 'school advice sheet' provides you with the current timetable of all your allocated school services.

This document is publicly available via our website and can be downloaded.

If normal route services also operate at or nearby your school or home, you can access their timetables on our website or via <https://transdevnsw.info/>.

If you have any questions about your school services or any of our other route services, please contact us directly on 02 8700 0555.

### LOST PROPERTY:

If your child has lost an item on one of our buses, we will do our utmost to get it back to them if we find it.

Parents or students, can submit an enquiry online directly via <https://transdevnsw.info> and our Customer Care Team will be notified and contact you if we receive a match for your item.

**Please note:** For safety reasons we may not be able to immediately contact our driver if they are on the road. However, we will contact them as soon as it's safe to do so.

## SCHOOL BUS INFORMATION GUIDE FOR PARENTS & STUDENTS

This information guide gives you everything you need to know about our services and how to get assistance when you need it.

## Have Your Contact Details Changed?

The school relies on up to date contact details to communicate important information and in the case of emergencies. If any of your contact details have changed; address, phone number and/or email, please contact the office staff to update your information.

All families new to the school, by now, should have received an email outlining how to set up their Parent Portal accounts and a unique access code to link their account to their son.

The Parent Portal is a primary communication link between home and school, hence it is important that all parents set up and access their accounts on a regular basis. School reports, parent teacher interviews, school newsletters and other important information is communicated via the portal.

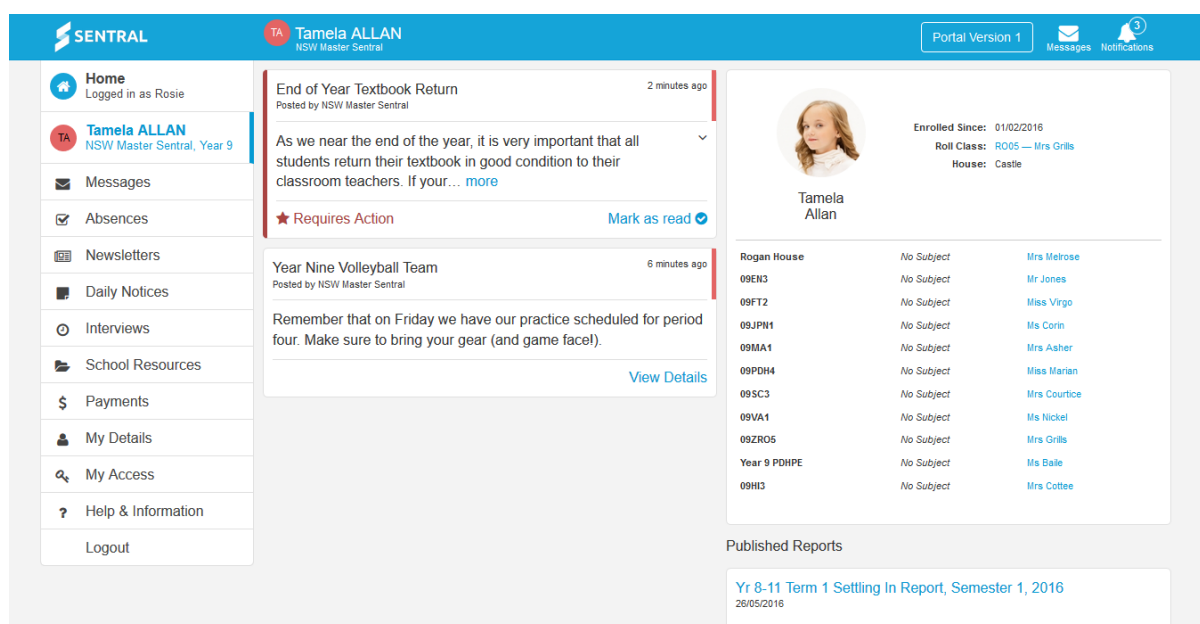

Any parents experiencing difficulty either setting up or accessing the portal should contact the school for assistance.

Existing families, now is a good time to ensure that your details are up to date. If you have moved house, changed email address or changed phone number please contact the school and update your personal contact details to ensure that you are not missing out on vital communications

# Sentral Parent Portal

As advised previously we have recently launched the EHBHS Sentral Parent Portal to improve communication between parents and the school. The parent portal will give all parents quick and easy access to vital information relating to their sons learning. Information relating to attendance, academic progress, upcoming events, class details and newsletters can all be readily accessed through the portal.

You should have already received information on how to register for, and set up, your Parent Portal account via email and a note sent home. Many parents have already registered and are using the portal successfully. If you are still yet to do so the link below provides access to a video tutorial to guide you through the set up process.  
Link to tutorial for new users - <https://vimeo.com/270556778>

## App Access.

Sentral Parent Portal is also available as an app to give you access via your mobile phone. If you have already set up your portal account the link below provides a guide to downloading and installing the app.  
Link to app installation - <https://vimeo.com/269839565>

As we move to greater use of the Portal for communication it is important that all families set up their accounts to avoid missing out on essential information. Whilst the Portal is externally hosted, we will try to assist where possible, parents who encounter difficulties setting up their accounts

# The School Opal card

The School Opal card gives eligible students free or discounted travel between home and school using metro, train, bus, ferry and light rail services you nominate in your application.

## Who can apply?

To be eligible for a School Opal card, students may need to live a minimum distance from their school:

### Years K-2 (Infants)

There is no minimum distance.

### Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

### Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

If you live too close to be eligible for free travel, you may still qualify for a School Term Bus Pass, which offers travel on buses between home and school at a discounted rate for the whole school term.

## Who needs to apply

A new application is only required if the student has not had a School Opal card before.

If the student already has a School Opal card and is changing schools, campuses or home address, you will need to update their Opal card for the new school year before mid-December at [apps.transport.nsw.gov.au/ssts](https://apps.transport.nsw.gov.au/ssts)

## How to apply

Applications for next year open at the start of Term 4 this year.

### Step 1

Once the new school has confirmed your child's enrolment, complete the application at [apps.transport.nsw.gov.au/ssts](https://apps.transport.nsw.gov.au/ssts)

### Step 2

The school endorses your application.

### Step 3

Once Transport for NSW has approved the application, a School Opal card will be sent to the address provided on the application.

A parent or guardian must apply for students 15 years and under. Students 16 years and over can apply for themselves.

## Better together

The School Opal card is only for travel to and from school. So it's a good idea to get a Child/Youth Opal card for travel after hours, on weekends or during school holidays.

### Child/Youth Opal card benefits

- Concession fares across the Opal network
- Half-price travel after eight paid journeys each week\*
- \$1 transfer discount for every transfer between modes (metro/train, ferry, bus or light rail) as part of one journey within 60 minutes from the last tap off†
- Set auto top up and link it to your credit or debit card so there's always enough value on the card to travel.

Find out more at [transportnsw.info/opal](https://transportnsw.info/opal) or pick one up from an Opal retailer. To find a retailer in your area visit [transportnsw.info/opal-retailers](https://transportnsw.info/opal-retailers)

Secondary students aged 16 and over can travel with a Child/Youth Opal card when carrying a NSW/ACT Senior Secondary Student Concession Card, available from school offices.

\* Excluding Sydney Airport station access fee.

† The Opal Transfer Discount doesn't apply when transferring between light rail and Sydney Ferries.

#### Privacy

For information on how we handle personal information please refer to the Opal Privacy Policy at [transportnsw.info/tickets-opal/opal/opal-privacy-policy](https://transportnsw.info/tickets-opal/opal/opal-privacy-policy) and the School Pass Terms [apps.transport.nsw.gov.au/ssts/#/termsAndConditions](https://apps.transport.nsw.gov.au/ssts/#/termsAndConditions)

# IMPORTANT INFORMATION

When picking up your son/s at the end of the day please be mindful of the laws around pickups and parking in Lucas Rd. Also, as a courtesy to our neighbours we ask that you follow all instructions from staff. This means not parking/waiting for your son/s in designated bus zones, not turning in inappropriate locations which hold up traffic, and not waiting in traffic in the middle of the road for your son.

It is very important that you consider everyone in the community, not just your own needs. By following these rules and guidelines it will help us clear the streets quicker, serve the bus company easier and help all students get home safely.

I have been in contact with Bankstown Council and they will be sending Rangers out to fine individuals who are breaking the law.

Thank you for your co-operation.

## Take your holidays when we do!

School is an important time in your child's life, where they learn social and academic skills and the routines and work ethic that will stay with them throughout their life. But because children need time to be children, there are also school holidays which allow them time off from the formalities of school. Students in NSW have a total of approximately 12 weeks off school each year. The school holidays for 2022 are as follows:

**Term 1 Holidays: 11<sup>th</sup> April – 22<sup>nd</sup> April 2022**

**Term 2 Holidays: 4<sup>th</sup> July – 15<sup>th</sup> July 2022**

**Term 3 Holidays: 26<sup>th</sup> September – 7<sup>th</sup> October 2022**

**Term 4 Holidays: 21<sup>st</sup> December – 26<sup>th</sup> January 2023**

Family holidays are an important part of growing up, but so is attending school. For this reason, we ask that wherever possible, **you take your holidays when we do**, during school holiday time. Even taking a couple of weeks off school during term time can make it very hard for your child to catch up on their work and if this is repeated over several years, children often find themselves falling behind.

If you must schedule your holiday during term time, we ask that you please do the following things before you go:

- Complete travel request forms, which can be collected from our front office.
- Provide additional documentation, such as travel itineraries. If you do not notify the school, your child's absences will be marked down as unexplained.

Attendance is recorded each day. As a parent or caregiver you are responsible for ensuring your child attends school every day, including sports days unless your child:

- has an unavoidable medical or dental appointment (preferably these should be made after school or during holidays)
- is required to attend a recognised religious holiday
- is required to attend an exceptional or urgent family circumstance (such as attending a funeral)
- is sick, or has an infectious illness.

Students need to attend school regularly to meet the course requirements of the Higher School Certificate.

If you are having difficulty getting your child to attend school regularly, you might like to talk to the school principal or the school counsellor.

If your child has to be absent from school for any reason, including arriving late or leaving early, please either tell your child's teacher or the administration assistant at our school, or explain the reason by phone, email, or written note as soon as possible and within seven days.

The school uses automated SMS to inform parents of any unexplained absences or unexplained late arrivals. You can reply to this SMS with the reason for your son's absence so our system can be updated accordingly. Please reply with a valid reason eg. – sick, religious holiday, etc. Replying with a "Yes" does not validate your son's absence and further correspondence will be sent.

### Medical Certificates

Principals are legally responsible for keeping accurate records of student attendance. Principals are also responsible for deciding if the reason given for an absence is justified. For this reason, Principals may request medical certificates or other documentation for long or frequent absences explained by parents as being due to illness. If Principals don't consider an explanation to be satisfactory, they will record the absence as unjustified.

# Administration Procedures

## Sickness Policy

If your child is sick at home prior to school, please do not send him to school. If your child is sick when Exams are on a medical certificate is required from his doctor.

When your child is absent from school please advise the office promptly with an acceptable reason. Sleeping in is not an acceptable reason.

## Proof of Residence

When the student changes address we require a form to be completed, which can be obtained from the office. All details must be completed and evidence supplied with change of address eg. electricity bill, lease agreement.

## Payments of Office

As you know, East Hills Boys High School is focused on providing the best possible resources and technology to educate and prepare your child for the future. Payment of school fees is essential in helping provide these resources. Please pay fees before by end of term.

## Attendance

School starts at 8.50am. Please be here before that time so as not to disturb other students learning. Again, to prevent disruption to students learning times, please try to make appointments out of school hours. We understand that with some specialist appointments choosing a time is not available. In those instances, please follow the schools early leaving policy.

Thank you

## STUDENTS LEAVING SCHOOL EARLY

The procedure for taking students out of school during school hours is as follows:

- Students need to bring a letter from the parent and take it to a Deputy Principal **before Roll Call** to have Early Leave approved.
- Students then bring the letter to the front office.
- Students return to the front office at the time of leaving to sign out and collect an Early Leavers Slip.

### CHANGES TO OUR PAYMENT PROCESS

To provide a more efficient and secure payment system East Hills Boys High School will implement an online payment system as at 17 February 2017, via a secure payment page hosted by Westpac.

Payment can be made using either a Visa or MasterCard Credit card or debit card, and can be made via computer, tablet or mobile phone.

The payment page is accessed from the front page of the schools website by selecting the "\$ MAKE A PAYMENT" icon. (see above)

Items that can be paid include school/subject contribution, excursions, sport, creative and practical arts (ie band, drama or dance), miscellaneous sales to students (ie calculator or printing etc). There is also a category called "Other" this covers items not covered in the previous headings, Other can be used to make a complete payment of a school invoice.

When you access the "\$ MAKE A PAYMENT" icon you must enter:

- The students name, class and reference number or
- The students name and date of birth or
- The Student Registration number and invoice number as listed on statements sent periodically to families

THESE DETAILS ARE ENTERED EACH TIME YOU MAKE A PAYMENT AS STUDENT INFORMATION IS NOT HELD WITHIN THE SECURE PAYMENT SYSTEM

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed &/or printed immediately. Receipt numbers should be recorded on Fees/Excursion/Statement note and returned to school asap as we need a signed permission note for your child to participate in school activities or receive resources. Westpac passes daily payment details to the school, however no further receipt is given by the school.

The example to the left displays the payment details page. Once you select the "NEXT" icon you are moved to a secure payment page to enter your private payment information.

East Hills Boys High School embracing the future. For further information please contact our office.
