Principal's Message

March has certainly been an exciting month at East Hills Boys High School. We have had many events taking place within the school that support the learning of our students. A very special event was our Year 10 Market Day conducted by our Commerce students on Friday 17 March. The students and staff planned a commercial experience around the idea of supply and demand and ran a market day in the school hall. Items that were sold ranged from food products such as falafel, ice cream and donuts to shoe cleaning kits. Huge thank you to Mrs El Nabbouche, Ms Shakir and Ms Collis for pitching the idea and then coordinating the day. The students, both consumers and entrepreneurs all enjoyed the day.

Following on from our successful school swimming carnival in February, we have had a number of outstanding results at Bankstown Zone level swimming and at regional Sydney South West Swimming. Of the 6 male Age Champions to be crowned at the Zone carnival East Hills Boys had 3 age Champions. They were Marco Naidovski Under 12 Age Champion, Jakub Fenik Under 14 Age Champion and Brayden Connell Under 16 Age Champion. Marco also went on to become the regional Age Champion for Sydney South West Region for the Under 12's. A Fantastic result. All the boys have gone on to qualify for the State Championships which happen early next term. They will also be joined by Rehan Kumar, Harry Gourley, Troy Nguyen and Ali Fidel who all qualified for the state championships. A fantastic effort by all of these boys. Perhaps there's another Ian Thorpe coming through the East Hills Boys ranks?

Open Night was a huge success for the school late last month. We had around 100 families come and explore the facilities at the school and were all impressed by the surroundings and the incredible staff who were all present on the night. We anticipate a Year 7 group of around 150 students in 2024 and this will mean that the school will reach its enrolment cap. This is a huge positive for the school, as it shows us that our local community value what we are doing in the school, it also means that places within the school will be limited moving forward. As such our Out of Area enrolments will decline from 2024 onwards as our school reaches capacity.

The Easter break is looming large with only a couple of weeks to go before the break. There will be plenty of work within the school occurring these holidays with the main quad being resurfaced and an ANZAC Memorial being started. We are committed to providing a positive physical space for our students as well as an improved learning environment. Please be mindful that we require your support to ensure that these school improvements continue, so please assist us by meeting your financial obligations when requested. Please continue to support your son's learning by providing them with the appropriate tools for learning, books, calculators and other accessories and we will always focus on providing opportunities for your sons that they wouldn't get at other schools.

Saturday 25 March sees the State Election for 2023. East Hills Boys High School is a voting booth for our local area, please feel free to come down and purchase your election day sausage and drink from our SRC boys who will be raising money for the end of year festivities.

Finally, to all of our families who are about to embark on Ramadan, we wish you all the best for you and your families through the holy month and of course to our Christian families we wish you a happy and festive time through Easter.

Best Wishes Paul Abboud - Principal

THE P&C EAST HILLS BOYS HIGH SCHOOL

AGM & General P&C Meeting: Monday 27th March 2023, 6pm

You are warmly invited to attend our meeting in the school café, or join in online (send an email to ehbh-spnc@gmail.com for details), to meet other parents and the School Executive. Come and see how you can have an active role in your son's education. Anyone is very welcome to attend these meetings. You do not have to be a financial member of the P&C.

Our Annual General Meeting (AGM) is on Monday 27th March from 6pm. This is held prior to the usual March P&C meeting. It is where the P&C creates its Committee for 2023. In order to be nominated and/or vote at the AGM, you need to be a financial P&C member by the end of the February 2023 meeting. Membership is only \$1 per P&C year !

We need new members!

To hold a P&C meeting, we must have a minimum of 5 members in attendance.

Without meetings we can't function as the financial members must vote on the allocation of funds.

You can attend the meetings online in the comfort of your own home.

No previous experience or special skills are required.

We would love new people, new ideas, new faces!

What is P&C?

Our aim is to co-operate and work closely with teaching staff and the Student Representative Council to find ways to support our school so we can build a stronger and enjoyable learning environment. ie We like to buy some fun educational stuff for the boys, that the school's budget doesn't cover or that the P&C members think that they would love. You may get to meet a few local Politicians and share your views/suggestions on education, the school and any local issues that you see affecting the school and your child(ren).

P&C meetings are held monthly – the fourth Monday of the month, except in school holidays and Public holidays.

Thank you in advance for paying your 2023 P&C Contribution. Your financial support enables us to assist the school by helping improve students learning facilities.

We look forward to seeing you soon!

Uniforms- Please label all items so they can be returned to you if they get lost.

The second hand uniform shop at East Hills Boys High School is currently low in stock. Please consider donating any unused items to the school.

The SRC has organised the delivery of two used clothing bins which are located in the car park behind the school hall. These bins are for student and staff use. Any clean clothing/bedding in bags can be donated.

Once these bins are full they will be collected and distributed to local and international families in need.

Please consider using these clothing bins for your spring cleaning needs!

Make a Mate

East Hills Boys is an inclusive community where all students are encouraged to support each other. To encourage our boys to seek out friendships and new networks within the school we have introduced an initiative to assist students who may need help in making those connections.

CONNECTING SOCIALLY

CHANGING FRIENDSHIP GROUPS

BUILDING FRIENDSHIP NETWORKS

Our Leadership Team, SRC and Peer Support Team are wearing blue bands to indicate to the student body that they are boys who are there to help other students. At the conclusion of the Year 7 transition week I also spoke with the cohort to explain the initiative and to ask for volunteers to help other Year 7 boys make friends in their new environment. I was overwhelmed when more than 20 boys eagerly approached me to be part of Make a Mate.

These students will be wearing their blue band when they are at school or travelling to and from school. This band indicates they are approachable and happy to support any student who may need help, want to join in your game or share some time with a new group.

Thank you boys for making a positive contribution to our school culture and I congratulate them for their involvement. Please discuss this program with your student so they are aware of the initiative.

Thank you

Mrs Savins

PREFECT MEETINGS

The Prefects have been working tirelessly to create an engaging and supportive atmosphere at East Hill Boys. Our meeting run during Friday Week B during PBL. If you have anything that you feel the SRC should discuss or consider, approach a Prefect and have them raise it at our fortnightly meetings.

LIBRARY NEWS

This term in the library we began the year with a focus on supporting the new phone free policy as well as the current school computer policy of no gaming. This ensures that the school computers in the library are being used to support students who may not have access to their own devices at school for educational purposes. The library has also welcomed and is excited with the new recruits for the 2023 Library Leadership Program. The students in the Library Leadership Program will undertake a self-paced training program that hopes to enhance their leadership skills with library duties moving from a trainee to master student librarian. On the completion of the program the students will not only gain invaluable experience and knowledge but will also be recognised as voluntary participation and service to the school on their school reports.

Additionally, the library continues to support all interests and abilities during break times with the continuation of the popular Lego Club from 2022. Other upcoming clubs for 2023 include Manga drawing and Origami Club which were voted choice of interest, in last year's survey. During these club times students are free to come and go on a week to week basis or attend regularly to participate depending on their interest or other school commitments.

Please be reminded that the library continues to run Homework Club every Wednesday and Thursday after school until 4pm. Homework is a great opportunity for students to gain additional support in a safe environment with qualified subject teachers. Students may also come to work on group assignments or with their friends. To attend Homework Club students do not need written permission but they must notify their parent or carer if they wish to attend on the day.

Out of the nearly 3000 plus students who completed the Music HSC in 2022, EHBHS graduate Alexander Mountakis was selected to perform one of his pieces which is an incredible achievement and honour. The boys were incredibly proud seeing a fellow East Hills student up there representing both the school on stage at the Sydney Opera house, one of Australia's most iconic music venues.

Year 8 Smart Farmer Cows Incursion

On the 2nd Of March, 2023 Year 8 attended the Smart Farmer incursion. The Smart Farmer incursion had been organized to assist and stimulate the students of the technology used in agriculture. The Farmer Incursion related to this semester's learning criteria for Food Technology and Agriculture. During the session we were taught about production of milk, the making of butter and cheese with live demonstrations and the opportunity for us interested to milk a cow and pet a calve. We also learnt about the steps of milk production and dairy processing. It was really fun and I'm happy that we got the chance to have this experience.

HSIE NEWS MARCH 2023

Year 10 were provided with an opportunity to showcase their entrepreneurial skills in a Market Day event on Friday 17th March 2023. Students involved organised and ran their own stalls, making a whopping \$3095, an amazing achievement by our students!

Profits from this event were donated to UNHCR!

Students sold a range of items including falafel rolls, manoush, sneaker cleaning products, spider drinks, macarons, fairy floss and ice-cream! All stalls sold out on the day!

Archaeologists at work

Year 7 have been learning about how archaeologists excavate sites to find artefacts that teach us about the past. Instead of digging up a real site, students of 7.E completed a choc-chip cookie archaeology activity, where they dug away at a site (the cookie) and unearthed valuable artefacts) the choc chips. The boys used tools such as toothpicks and paintbrushes to excavate their site and learned that archaeology can be a destructive, but delicious, process!

Archaeology never tasted so good!

Have Your Contact Details Changed?

The school relies on up to date contact details to communicate important information and in the case of emergencies.

If any of your contact details have changed; address, phone number and/or email, please contact the office staff to update your information.

Sentral Parent Portal

As advised previously we have recently launched the EHBHS Sentral Parent Portal to improve communication between parents and the school. The parent portal will give all parents quick and easy access to vital information relating to their sons learning. Information relating to attendance, academic progress, upcoming events, class details and newsletters can all be readily accessed through the portal.

You should have already received information on how to register for, and set up, your Parent Portal account via email and a note sent home. Many parents have already registered and are using the portal successfully. If you are still yet to do so the link below provides access to a video tutorial to guide you through the set up process.

Link to tutorial for new users - <https://vimeo.com/270556778>

App Access.

Sentral Parent Portal is also available as an app to give you access via your mobile phone. If you have already set up your portal account the link below provides a guide to downloading and installing the app.

Link to app installation - <https://vimeo.com/269839565>

As we move to greater use of the Portal for communication it is important that all families set up their accounts to avoid missing out on essential information.

Whilst the Portal is externally hosted, we will try to assist where possible, parents who encounter difficulties setting up their accounts

IMPORTANT INFORMATION

When picking up your son/s at the end of the day please be mindful of the laws around pickups and parking in Lucas Rd. Also, as a courtesy to our –neighbours we ask that you follow all instructions from staff. This means not parking/waiting for your son/s in designated bus zones, not turning in inappropriate locations which hold up traffic, and not waiting in traffic in the middle of the road for your son.

It is very important that you consider everyone in the community, not just your own needs. By following these rules and guidelines it will help us clear the streets quicker, serve the bus company easier and help all students get home safely.

I have been in contact with Bankstown Council and they will be sending Rangers out to fine individuals who are breaking the law.

Thank you for your co-operation.

Regards

Penalties that apply in School Zones – Parking and Traffic Rules
Choosing Safety over convenience

	<p style="text-align: center;">NO STOPPING</p> <p>What does it mean? Under no circumstances are you permitted to stop in this area.</p> <p>Why is it there? To keep sight line clear for drivers AND Children so both have more time to avoid crashes.</p>	<p style="text-align: right;">Penalty \$344 2 demerit points</p>
	<p style="text-align: center;">NO PARKING</p> <p>What does it mean? You are permitted to park <u>for no more than 2 minutes</u> to drop-off/pick-up and you must stay <u>within 3 metres of your vehicle</u>.</p> <p>Why is it there? To provide a safe place for children to be set down and picked up without endangering other children.</p>	<p style="text-align: right;">Penalty \$191 2 demerit points</p>
	<p style="text-align: center;">BUS ZONE</p> <p>What does it mean? You must not stop your vehicle in the indicated zone unless you are driving a public bus.</p> <p>Why is it there? 	<p style="text-align: center;">PEDESTRIAN CROSSING (INCLUDING CHILDREN'S CROSSING)</p> <p>You must stop within 20 metres before or 10 metres after a Pedestrian Crossing.</p> <p>Why is it there? 	<p style="text-align: center;">DOUBLE PARKING</p> <p>You must not stop your vehicle or park in the middle of the road to drop off and pick up.</p> <p>Why is it there? Take your holidays when we do!

School is an important time in your child's life, where they learn social and academic skills and the routines and work ethic that will stay with them throughout their life. But because children need time to be children, there are also school holidays which allow them time off from the formalities of school. Students in NSW have a total of approximately 12 weeks off school each year. The school holidays for 2023 are as follows:

Term 1 Holidays: 10th April – 21st April 2023

Term 2 Holidays: 3rd July – 14th July 2023

Term 3 Holidays: 25th September – 6th October 2023

Term 4 Holidays: 20th December – 29th January 2024

Family holidays are an important part of growing up, but so is attending school. For this reason, we ask that wherever possible, **you take your holidays when we do**, during school holiday time. Even taking a couple of weeks off school during term time can make it very hard for your child to catch up on their work and if this is repeated over several years, children often find themselves falling behind.

If you must schedule your holiday during term time, we ask that you please do the following things before you go:

Complete travel request forms, which can be collected from our front office.
Provide additional documentation, such as travel itineraries.
If you do not notify the school, your child's absences will be marked down as unexplained.

Attendance is recorded each day. As a parent or caregiver you are responsible for ensuring your child attends school every day, including sports days unless your child:

Has an unavoidable medical or dental appointment (preferably these should be made after school or during holidays)

Is required to attend a recognised religious holiday

Is required to attend an exceptional or urgent family circumstance (such as attending a funeral)

Is sick, or has an infectious illness.

Students need to attend school regularly to meet the course requirements of the Higher School Certificate.

If you are having difficulty getting your child to attend school regularly, you might like to talk to the school principal or the school counsellor.

If your child has to be absent from school for any reason, including arriving late or leaving early, please either tell your child's teacher or the administration assistant at our school, or explain the reason by phone, email, or written note as soon as possible and within seven days.

The school uses automated SMS to inform parents of any unexplained absences or unexplained late arrivals. You can reply to this SMS with the reason for your son's absence so our system can be updated accordingly. Please reply with a valid reason eg. – sick, religious holiday, etc. Replying with a "Yes" does not validate your son's absence and further correspondence will be sent.

Medical Certificates

Principals are legally responsible for keeping accurate records of student attendance. Principals are also responsible for deciding if the reason given for an absence is justified. For this reason, Principals may request medical certificates or other documentation for long or frequent absences explained by parents as being due to illness. If Principals don't consider an explanation to be satisfactory, they will record the absence as unjustified

What to do if YOU are being bullied by any person at school:

Administration Procedures

Sickness Policy

If your child is sick at home prior to school, please do not send him to school. If your child is sick when Exams are on a medical certificate is required from his doctor.

When your child is absent from school please advise the office promptly with an acceptable reason. Sleeping in is not an acceptable reason.

Proof of Residence

When the student changes address we require a form to be completed, which can be obtained from the office. All details must be completed and evidence supplied with change of address eg. electricity bill, lease agreement.

Payments of Office

As you know, East Hills Boys High School is focused on providing the best possible resources and technology to educate and prepare your child for the future. Payment of school fees is essential in helping provide these resources. Please pay fees before by end of term.

Attendance

School starts at 8.50am. Please be here before that time so as not to disturb other students learning. Again, to prevent disruption to students learning times, please try to make appointments out of school hours. We understand that with some specialist appointments choosing a time is not available. In those instances, please follow the schools early leaving policy.

Thank you

STUDENTS LEAVING SCHOOL EARLY

The procedure for taking students out of school during school hours is as follows:

Students need to bring a letter from the parent and take it to a Deputy Principal **before Roll Call** to have Early Leave approved.

Students then bring the letter to the front office.

Students return to the front office at the time of leaving to sign out and collect an Early Leavers Slip.

CHANGES TO OUR PAYMENT PROCESS

To provide a more efficient and secure payment system East Hills Boys High School will implement an online payment system as at 17 February 2017, via a secure payment page hosted by Westpac.

Payment can be made using either a Visa or MasterCard Credit card or debit card, and can be made via computer, tablet or mobile phone.

The payment page is accessed from the front page of the schools website by selecting the "\$ MAKE A PAYMENT" icon. (see above)

Items that can be paid include school/subject contribution, excursions, sport, creative and practical arts (ie band, drama or dance), miscellaneous sales to students (ie calculator or printing etc). There is also a category called "Other" this covers items not covered in the previous headings, Other can be used to make a complete payment of a school invoice.

When you access the "\$ MAKE A PAYMENT" icon you must enter:

The students name, class and reference number or

The students name and date of birth or

The Student Registration number and invoice number as listed on statements sent periodically to families

THESE DETAILS ARE ENTERED EACH TIME YOU MAKE A PAYMENT AS STUDENT INFORMATION IS NOT HELD WITHIN THE SECURE PAYMENT SYSTEM

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed &/or printed immediately. Receipt numbers should be recorded on Fees/Excursion/Statement note and returned to school asap as we need a signed permission note for your child to participate in school activities or receive resources. Westpac passes daily payment details to the school, however no further receipt is given by the school.

The example to the left displays the payment details page. Once you select the "NEXT" icon you are moved to a secure payment page to enter your private payment information.
