# PRINCIPAL'S MESSAGE

---

The beginning of Term 4 has certainly been a whirlwind in 2023. The Year 12's have finished their HSC and have begun signing out of the school, ready to begin the next exciting stage of the lives. For some of them their association with East Hills Boys doesn't quite finish there though as 4 have chosen to study Education at university to become teachers and in order to maintain our support of these students and the public education system we will be supporting these boys in 2024 by hiring them as paraprofessionals (SLSO's) to support the learning of some of our students. With 4 weeks to go many of our students will be looking forward to Fun Day in the last week. Fun day is a day when we reward the students who have maintained a high level of positive behaviour and application to work throughout the year. For those students who have qualified, invitations will go out soon.

Whilst Formal assessments have been completed for the year it is still very important that your son's attendance remains at the highest possible level. The students will be learning strategies for next year for the remainder of the year and these skills will go a long way to ensuring success in future years.

Tuesday 28 November will see Orientation Day for the Year 7 cohort of 2024. It is a very exciting time for the new Year 7's as they will get their first opportunity to see what our school is about. What is particularly exciting about the group about to start on their East Hills Boys journey, is that with the enrolments from this group we have reached our school enrolment cap. It is so exciting to see that our community is seeing the exciting work we are doing at the school and they are now choosing our school as their school of choice for their sons.

Looking forward to some exciting days ahead as we move towards the end of the year.

Regards

Paul Abboud

# Your School Services

We want to thank you for your ongoing patience as U-Go Mobility works through challenges in operating Greater Sydney Bus services, in Sydney's South and South West.

## Steps we are taking to address the current challenges:

- ▶ Reinstated regular route trips that have an extension or deviation to a school or have a high level of student activity
- ▶ Liaising directly with schools when services are running late
- ▶ Directing all drivers to pick up school students who are waiting at stops
- ▶ Redirecting buses to return and pick up students when issues do occur
- ▶ Ensuring buses set down appropriately and follow their routes, including trip deviations for schools.
- ▶ Website with timetable links to dedicated school routes

For dedicated School Services, please continue to use the transport Info website to Plan Your Trip to School:

## *A message from our newly elected 2024 Leadership Team*

Hi there East Hills Boys community, my name is **Alvi Sarker** and I have the privilege of being the 2024 East Hills Boys High **School Captain**. First things first, I extend my heartfelt gratitude to the school for granting me this remarkable opportunity and to my fellow students who entrusted me with their votes. I am genuinely appreciative and committed to reciprocating this trust by contributing positively to our school community. A bit about myself; I have been a student at East Hills Boys since year 7 back in 2019, and have enjoyed every moment of this high school journey. Over the years, I've had the privilege of attending numerous school events, and now, as Captain, I am eager to take a proactive role in planning, organising, and achieving success in various school activities, alongside my dedicated leadership team. Beyond school academics, I have been able to represent our school in numerous sporting competitions including all-schools table tennis and respective cricket tournaments.

Enough about me, and now about my fellow devoted leaders who will accompany me on this journey. From the team our cohort voted in, I believe we have selected a balanced, all round group of young men who are not only dedicated to fulfill this role, but also keep all other aspects of school life in check. The team consists of myself, **Zaine Annous (Vice Captain), Jalil Figueroa (Senior Prefect), Khaled Arifaki (Prefect), Ryan Budhiraja (Prefect), Maysra Faraheldour (Prefect), Minh-Sam Ha (Prefect), Muhammad Nihal Khan (Prefect), Khoder Mahmoud (Prefect), Titako Manu (Prefect)**. We collaborate seamlessly and have diligently explored various concepts aimed at enriching our school experience. Our primary objectives revolve around enhancing health and education, followed closely by active participation in sports and fundraising for a range of charitable causes. Our commitment to school events isn't a boundary; in fact, we've devised numerous strategies to expand our engagement with neighboring schools, seeking to enhance student well-being.

All in all, I hope that 2024 is a memorable year for East Hills Boys, and that our leadership team on behalf of the school can assist all teachers and students.

# LEARNING AND SUPPORT NEWS

Term 4 is a time for students to be assessed on their knowledge and learning for the second semester.

As you are aware, all students have been sitting their final assessments and the Learning and Support team have ensured that they have been given the necessary provisions and access to the curriculum.

Mr Abboud supports our faculty with school funding and at East Hills, we are very lucky to have a dedicated team who work with students in class or on a one on one basis.

Nonetheless, the funding model from department is constantly changing and it is becoming increasingly harder to support students without a diagnosis or some formal understanding of their learning needs.

If you would like a greater understanding of how the department of education model works, please click on the link below.

## Year 12, 2024

We will commence our application for HSC exam provisions very shortly. If your son has been receiving provisions, we will be contacting you to provide us with the necessary documentation to support HSC provisions. Curious about exam provisions? Check your child's eligibility below. Please know that if something happens closer to the HSC exams in 2024, there are many avenues to ensure that students have the necessary support they need at that time.

-in ancient egypt; only a pharaoh's name could be written in a cartouche; which is an oval shape with a line across the bottom. people lost the ability to read hieroglyphs until 1799 when a stone fragment now called the rosetta stone containing the same text written in egyptian hieroglyphs; demotic and ancient greek. by using the greek alphabet; historians were able to translate and decipher hieroglyphs!

# Focus on Ability Film Festival – Screening & Awards

In week 9 of Term 3, year 11 Multimedia accompanied Rasin Hossain (director), Zain Khan (director) and Kassem Abouelsel (star) to attend a screening of their film titled *Limitless* as part of the worldwide film-making competition called 'Focus on Ability'. The film stars Sam of Year 12 who bravely tells his story to inspire the greater community to be determined and always strive for success regardless of the obstacles in your way. The film can be viewed on the EHBHS Youtube channel or the 'Focus on Ability' website under the title of 'Limitless'

The directors and star of the documentary also had the opportunity to attend the awards event on Sunday 5<sup>th</sup> November. The fancy event was held at the Concert hall in Chatswood and had an emphasis on sharing peoples' stories of living with a disability. The boys produced such an amazing film that they finished top 5 in the Judges choice award for the documentary category. Congratulations to the boys for their efforts in getting this valuable message out into the community.

We have included one of our favourite recipes for you to try at home.

## Nepal - MoMo (Dumplings)

Momo is a filled dumpling originating in Tibet / Nepal. It is additionally popular in neighboring countries, Bhutan and India. Momo is ordinarily served with a sauce known as achar impacted by the flavors and herbs used inside and within many South Asian cuisines.

**- Ingredients - Serving for 2 people -**

- 400g chicken mince (using thigh meat)
- ½ red onion, finely chopped
- ½ cup coriander, finely chopped
- 2 tsp fresh minced ginger
- 2 tsp minced garlic
- ½ tsp ground coriander
- ¼ tsp turmeric
- ¼ tsp Garam Masala
- ½ tsp of chili powder (depends on your spice level)
- 2 tbsp vegetable oil or melted butter/ghee
- Salt to taste
- 24 momo pastry wrappers (12 each for 2 people)

- additionally served with Achar. (Picture below)

### Recipe - Serves 2

1. To make the filling, mix together the chicken mince, red onion, scallions, coriander, garlic, ginger, turmeric, chili powder, garam masala, ghee in a big bowl. Mix thoroughly using your hands.
2. Put one tablespoon of filling in the center of a dumpling wrapper. Wet the outer rim lightly with water using your finger.
3. Squeeze the top of the wrapper with your fingers to fold and close it tightly, making it look like a small bag. Do the same thing again with the rest of the wrappers and filling.
4. Start by filling a steamer bowl with water until it's about one-third full.
5. Put the steamer on the stove and turn the heat to high. Wait for the water to start boiling. Once it's boiling, place the steamer basket on, filled with the dumplings.
6. Cook it for 12-15 minutes until the dumplings wrapper becomes a bit translucent. Enjoy!

+ Eat with Achar, a special spicy soupy sauce.

Some of the recipes and foods presented were:

Desserts: Mango Lassi, Gulab Jamuns, Kanefe and Pandan Cake, and Mahalabia.

Meals: Onion and Spinach Indian Fritters, Lebanese Chicken and Rice, Slow cooked pasta Bolognese, Lasagne, Fried Rice, Lalem Bi Ajin, Korean Ramen Noodles, Shindhi Biryani, Chicken Biryani and Tandoori Chicken

Yes, I know what you're thinking, but believe it or not, avocado toast has been around since the 1950s. Gwyneth Paltrow is credited with popularising avocado toast in the 1990s. The dish gained further attention on social media, with numerous influencers sharing their own versions. Its rise to fame is closely linked to the growing emphasis on healthy eating and plant-based diets.

## KEEPING US SAFE

Please be aware that we have immune compromised students at this school. Please contact us immediately if your son is experiencing and symptoms of Chicken Pox, Measels or Covid 19. If your child is sick at home prior to school, please do not send him to school. If your child is sick when Exams are on a medical certificate is required from his doctor. When your child is absent from school please advise the office promptly with an acceptable reason. Sleeping in is not an acceptable reason.

## CONTACT DETAILS

The school relies on up to date contact details to communicate important information and in the case of emergencies.

If any of your contact details have changed; address, phone number and/or email, please contact the office staff to update your information. We require a form to be completed, which can be obtained from the office. All details must be completed and evidence supplied with change of address eg. electricity bill, lease agreement.

## PAYMENTS OF OFFICE

As you know, East Hills Boys High School is focused on providing the best possible resources and technology to educate and prepare your child for the future.

Payment of school fees is essential in helping provide these resources. Please pay fees before by end of term.

## LEAVING SCHOOL EARLY

The procedure for taking students out of school during school hours is as follows:

- Students need to bring a letter from the parent and take it to a Deputy Principal before Roll Call to have Early Leave approved.
- Students then bring the letter to the front office.
- Students return to the front office at the time of leaving to sign out and collect an Early Leavers Slip.

## ATTENDANCE

School starts at 8.50am. Please be here before that time so as not to disturb other students learning. Again, to prevent disruption to students learning times, please try to make appointments out of school hours. We understand that with some specialist appointments choosing a time is not available. In those instances, please follow the schools early leaving policy.

Attendance is recorded each day. As a parent or caregiver you are responsible for ensuring your child attends school every day, including sports days unless your child:

- Has an unavoidable medical or dental appointment (preferably these should be made after school or during holidays)
- Is required to attend a recognised religious holiday
- Is required to attend an exceptional or urgent family circumstance (such as attending a funeral) Is sick, or has an infectious illness.

Students need to attend school regularly to meet the course requirements of the Higher School Certificate. If you are having difficulty getting your child to attend school regularly, you might like to talk to the school principal or the school counsellor.

If your child has to be absent from school for any reason, including arriving late or leaving early, please either tell your child's teacher or the administration assistant at our school, or explain the reason by phone, email, or written note as soon as possible and within seven days.

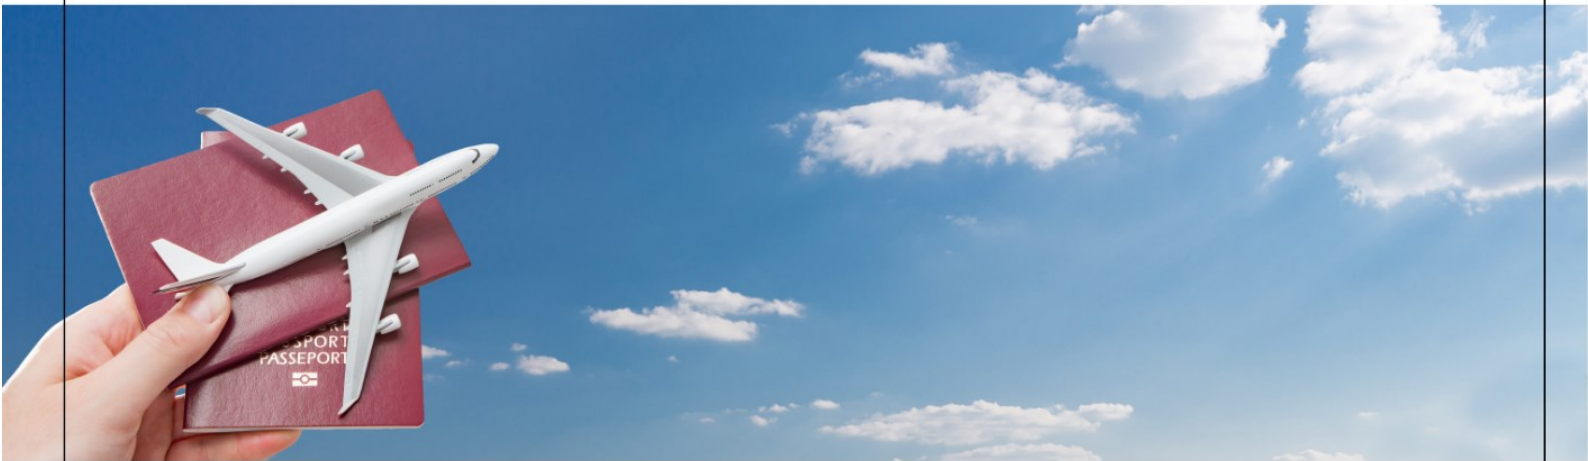

The school uses automated SMS to inform parents of any unexplained absences or unexplained late arrivals. You can reply to this SMS with the reason for your son's absence so our system can be updated accordingly. Please reply with a valid reason eg. – sick, religious holiday, etc. Replying with a "Yes" does not validate your son's absence and further correspondence will be sent.

## MEDICAL CERTIFICATES

Principals are legally responsible for keeping accurate records of student attendance. Principals are also responsible for deciding if the reason given for an absence is justified. For this reason, Principals may request medical certificates or other documentation for long or frequent absences explained by parents as being due to illness. If Principals don't consider an explanation to be satisfactory, they will record the absence as unjustified

# ***TRAVELLING?***

## ***TAKE YOUR HOLIDAYS WHEN WE DO***

School is an important time in your child's life, where they learn social and academic skills and the routines and work ethic that will stay with them throughout their life. But because children need time to be children, there are also school holidays which allow them time off from the formalities of school. Students in NSW have a total of approximately 12 weeks off school each year. The school holidays for 2023 are as follows:

**Term 1 Holidays: 10th April – 21st April 2023**

**Term 2 Holidays: 3rd July – 14th July 2023**

**Term 3 Holidays: 25th September – 6th October 2023**

**Term 4 Holidays: 20th December – 29th January 2024**

Family holidays are an important part of growing up, but so is attending school. For this reason, we ask that wherever possible, you take your holidays when we do, during school holiday time. Even taking a couple of weeks off school during term time can make it very hard for your child to catch up on their work and if this is repeated over several years, children often find themselves falling behind. If you must schedule your holiday during term time, we ask that you please do the following things before you go:

- Complete travel request forms, which can be collected from our front office.
- Provide additional documentation, such as travel itineraries.

If you do not notify the school, your child's absences will be marked down as unexplained.

East Hills Boys is an inclusive community where all students are encouraged to support each other. To encourage our boys to seek out friendships and new networks within the school we have introduced an initiative to assist students who may need help in making those connections.

## **CONNECTING SOCIALLY**

### **CHANGING FRIENDSHIP GROUPS**

### **BUILDING FRIENDSHIP NETWORKS**

Our Leadership Team, SRC and Peer Support Team are wearing blue bands to indicate to the student body that they are boys who are there to help other students. At the conclusion of the Year 7 transition week I also spoke with the cohort to explain the initiative and to ask for volunteers to help other Year 7 boys make friends in their new environment. I was overwhelmed when more than 20 boys eagerly approached me to be part of Make a Mate.

These students will be wearing their blue band when they are at school or travelling to and from school. This band indicates they are approachable and happy to support any student who may need help, want to join in your game or share some time with a new group. Thank you boys for making a positive contribution to our school culture and I congratulate them for their involvement. Please discuss this program with your student so they are aware of the initiative.

Thank you  
Mrs Savins

# Sentral Parent Portal

As advised previously we have recently launched the EHBHS Sentral Parent Portal to improve communication between parents and the school. The parent portal will give all parents quick and easy access to vital information relating to their sons learning. Information relating to attendance, academic progress, upcoming events, class details and newsletters can all be readily accessed through the portal.

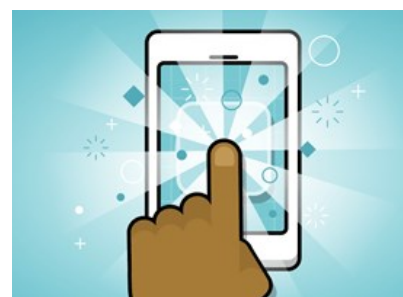

You should have already received information on how to register for, and set up, your Parent Portal account via email and a note sent home. Many parents have already registered and are using the portal successfully. If you are still yet to do so the link below provides access to a video tutorial to guide you through the set up process.

Link to tutorial for new users - <https://vimeo.com/270556778>

## App Access.

Sentral Parent Portal is also available as an app to give you access via your mobile phone. If you have already set up your portal account the link below provides a guide to downloading and installing the app.

Link to app installation - <https://vimeo.com/269839565>

As we move to greater use of the Portal for communication it is important that all families set up their accounts to avoid missing out on essential information.

Whilst the Portal is externally hosted, we will try to assist where possible, parents who encounter difficulties setting up their accounts

### CHANGES TO OUR PAYMENT PROCESS

To provide a more efficient and secure payment system East Hills Boys High School will implement an online payment system as at 17 February 2017, via a secure payment page hosted by Westpac.

Payment can be made using either a Visa or MasterCard Credit card or debit card, and can be made via computer, tablet or mobile phone.

The payment page is accessed from the front page of the schools website by selecting the "\$ MAKE A PAYMENT" icon. (see above)

Items that can be paid include school/subject contribution, excursions, sport, creative and practical arts (ie band, drama or dance), miscellaneous sales to students (ie calculator or printing etc). There is also a category called "Other" this covers items not covered in the previous headings, Other can be used to make a complete payment of a school invoice.

When you access the "\$ MAKE A PAYMENT" icon you must enter:

The students name, class and reference number or

The students name and date of birth or

The Student Registration number and invoice number as listed on statements sent periodically to families

THESE DETAILS ARE ENTERED EACH TIME YOU MAKE A PAYMENT AS STUDENT INFORMATION IS NOT HELD WITHIN THE SECURE PAYMENT SYSTEM

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed &/or printed immediately. Receipt numbers should be recorded on Fees/Excursion/Statement note and returned to school asap as we need a signed permission note for your child to participate in school activities or receive resources. Westpac passes daily payment details to the school, however no further receipt is given by the school.

The example to the left displays the payment details page. Once you select the "NEXT" icon you are moved to a secure payment page to enter your private payment information.
